NEW PATIENT INFORMATION CERTIFICATION

I certify that I have answered truthfully all questions on the New Patient Evaluation form and have not knowingly withheld any information concerning any of the above problems, either past or present.

I understand that the physicians and staff of Murphy Pain Center will only be evaluating my condition as it relates to my pain. Any condition which is not specifically pain-related must be followed and evaluated by my primary care physician.

I understand that the procedures and medications which may be prescribed by Murphy Pain Center can potentially have adverse effects on the status of one's fertility as well as a developing fetus. I will notify my Murphy Pain Center physician if there is any change in my fertility status or pregnancy status.

I understand that the procedures and medications which may be prescribed by Murphy Pain Center can potentially impair my ability to drive and operate machinery. I pledge to never drive impaired.

I understand that it may be at times difficult to obtain prompt consultation with the physicians or staff of Murphy Pain Center. If there is ever a significant deterioration on my function or progression of symptoms, I will seek prompt Medical attention elsewhere.
